The Lebanese Government strongly condemns the repeated Israeli attacks that have brought death and injury to many and have caused enormous damage to property. It further condemns in the strongest terms the arbitrary practices against civilians that have prevented them from cultivating their fields, pursuing their occupations and earning their livelihoods.

Like previous attacks, this new series constitutes flagrant aggression against the sovereignty and independence of Lebanon and represents another flagrant violation of international law and basic human rights.

The continued violence is ultimately due to Israel's maintenance of its occupation and its refusal to comply with Security Council resolution 425 (1978), which calls for Israel's withdrawal to the internationally recognized boundaries and for the Lebanese Government to be allowed to extend its authority over all its territory by means of its legally constituted forces.

I should be grateful if you would have this letter circulated as a document of the General Assembly, under item 44 of the provisional agenda, and of the Security Council.

At present, 15 Member States are in arrears under the terms of Article 19 of the Charter, which states as follows:

> "A Member of the United Nations which is in arrears in the payment of its financial contributions to the Organization shall have no vote in the General Assembly if the amount of its arrears equals or exceeds the amount of the contributions due from it for the preceding two full years. The General Assembly may, nevertheless, permit such a Member to vote if it is satisfied that the failure to pay is due to conditions beyond the control of the Member."

The minimum payments necessary to reduce the amounts owed by those Member States on their contributions so that they remain below the gross amount owed for the preceding two full years (1993-1994) are the following: 1/

ANNEX

Statement on the French nuclear test at Mururoa Atoll, South Pacific, issued on 8 September 1995 by the Ministry of Foreign Affairs of Malaysia

1. It is with indignation that Malaysia learned that France had proceeded to conduct its nuclear test at Mururoa Atoll in the South Pacific on 6 September 1995 despite worldwide protests and calls for restraint.

2. Malaysia condemns the test and calls on France to desist from carrying out any further test, consistent with the undertaking it had given, along with the other nuclear-weapon States, at the recent Review and Extension Conference of the States Parties to the Treaty on the Non-Proliferation of Nuclear Weapons (NPT) in New York.

3. Malaysia is opposed to nuclear testing by any nuclear-weapon State and is therefore dismayed at the latest nuclear tests conducted by France and also by China.
